

# SURFASSTRIP™ Graffiti Remover

---

## What is SURFASSTRIP™ Graffiti Remover:

**SURFASSTRIP™ Graffiti Remover** is a high strength, environmentally friendly, water based gel used to remove graffiti from multiple surfaces (concrete, wood, metal, etc.).

### **Specification Tip for Design Professionals:**

**SURFASSTRIP™ Graffiti Remover** may be specified by name or by using the following description: "a proprietary, water based gel used to remove Graffiti from concrete surfaces".

- High strength formula
- Safe to use
- Water based
- Low odour
- Low VOC
- Fast acting
- Easy to apply

## How does SURFASSTRIP™ Graffiti Remover work:

The unique formulation of **SURFASSTRIP™ Graffiti Remover** causes the graffiti to dissolve making it easy to remove from the surface.

## How do I apply SURFASSTRIP™ Graffiti Remover:

- Using a soft brush apply a generous coat of **SURFASSTRIP™ Graffiti Remover** to the painted area from which you want to remove the paint.
- Cover the treated area with a plastic sheet, tape at the edges of the sheet with masking tape and leave in position for up to a maximum of 4 hours.
- Using clean potable water wet the perimeter of the treated area to prevent run-down staining the surface.
- Remove the plastic sheet.
- Use a plastic scraper or other non aggressive means to remove the graffiti from the surface.
- Wash the treated area using clean potable water and a soft brush wash to remove residue. Dispose of the waste in accordance with the Local Authority Regulations.

For further information on application of the material please contact our Technical Department.

**Note:** We recommend that a small test area is completed to ensure suitability of the product. Surfaces treated with **SURFASSTRIP™ Graffiti Remover** should be protected from rain for 24 hours after application. **SURFASSTRIP™ Graffiti Remover** should not be applied if temperatures are 10°C or below or are expected to fall below 10°C in the following 24 hours.

## How do I store SURFASSTRIP™ Graffiti Remover:

**SURFASSTRIP™ Graffiti Remover** should be stored in its original packaging in cool dry conditions above 10°C and protected from frost.
